Senate Journal

of the Second Regular Session of the Thirty-second Legislature
of the State of Oklahoma

First Legislative Day, Tuesday, January 6, 1970

Pursuant to Article 5, Section 26, of the Constitution of the State of Oklahoma, as amended by State Question 435, Legislative Referendum 156 (referred by **SJR 7—1965**, and adopted by the people on May 24, 1966), the Senate of the Second Regular Session of the Thirty-second Legislature assembled in its Chamber at 12:00 noon.

The President, Lieutenant Governor George Nigh, called the Senate to order.

Upon roll call, the following members were present:

Present: Atkinson, Baggett, Baldwin, Berrong, Birdsong, Boecher, Bradley, Breckinridge, Crow, Dacus, Ferrell, Field, Garrett, Garrison, Grantham, Graves, Ham, Hamilton, Hargrave, Holden, Horn, Howard, Inhofe, Keels, Lane, Luton, McCune, McGraw, McSpadden, Martin, Massey, Medearis, Miller, Murphy, Nichols, Payne, Phillips, Porter, Romang, Short, Smalley, Smith, Stansberry, Taliaferro, Terrill, Williams, Young.—47.

Excused: Stipe.—1.

The President declared a quorum present.

The Permanent Senate Chaplain, the Reverend Joe Dickens, Pastor of John Calvin Presbyterian Church, Tulsa, Oklahoma, offered the following prayer, and same is incorporated herein upon motion of President Pro Tempore Smith:

O God who art the Lord of all the worlds that are, who art Lord not only of the church, but of the marketplace, the halls of business and the political arena, we pause at the beginning of this New Year to acknowledge Thee.

We ask as these men, chosen by the people to govern the affairs of this State, resume their concerns that they may be freed from petty ambition, from short-sighted goals and from selfish pride. Help them to feel that they have been put in this place of responsibility by Thy hand, that they may serve the people as service to Thee.

Thou who hast taught us to love one another and that love is not mere sentiment but includes righteousness and justice, courage and honesty, bless the honorable Oklahoma State Senate that this day and this session Thy will may be done. We pray in Christ. Amen.

Senator Terrill moved that a Committee be appointed to notify the Governor of the State of Oklahoma that the Senate is organized and ready to transact business, which motion was declared adopted. The President appointed Senators Nichols, Garrison and Porter as such Committee.

Senator Terrill moved that a Committee be appointed to notify the Honorable House the Senate is organized and ready to transact business, and to confer and arrange for a Joint Session, which motion was declared adopted. The President appointed Senators Boecher, Williams and Crow as such Committee.

Senator Terrill stated that Lobby Permits issued during the First Regular Session of the 32d Legislature were subject to revocation during the Second Regular Session of said Legislature and asked unanimous consent that the same Special Committee be appointed to consider any further requests for Lobby Permits, with authority to renew any existing Lobby Permits without further action by the Senate.

No objection being voiced, the President reappointed Senators Bradley, Grantham and Berrong as members of such committee.

Senator Terrill moved that the Mileage allowances for members of the Senate authorized in the First Session of the 32d Legislature be the mileage allowance for the Second Session of the 32d Legislature, which motion was declared adopted.

Governor Nigh, President Pro Tempore Smith, Speaker Privett, honorable members of the 32nd Oklahoma Legislature, guests, my fellow Okies:

Welcome back to Oklahoma City for the opening of the Fourth Annual Session of the Oklahoma Legislature.

Last year, in accordance with the expectations of the citizens of the State when they voted annual sessions, you adjourned on April 29th, the shortest legislative session in recent history. This year, I challenge you to do even better.

In my opinion, the work of this session can — and should — be completed in not more than 90 calendar days, I pledge you my support in achieving that goal.

Let us immediately tackle the work at hand, accomplish it in a responsible manner, and continue to restore our citizens' confidence in their elected leaders.

We have adequate funds to do the job.

During Governor Edmondson's Administration, for fiscal 1960-1963, appropriated revenues were \$466,585,237.

During Governor Bellmon's Administration, for fiscal 1964-1967, appropriated revenues were \$585,494,637.

For the four year period of this Ad-

ministration, fiscal 1968-71, appropriated revenues will be at least \$875,715,755. This represents an increase of 49 per cent over 1964-67, and an increase of 87.69 per cent over 1960-63.

There are several reasons for this immense increase, but a general tax increase is not one of them. The two most important reasons are (1) the general growth of the economy, and (2) more vigorous collection of taxes due the State.

The State of the State of Oklahoma is excellent. The outlook for the future is optimistic.

Oklahoma has had phenomenal success in its attempt to achieve economic growth.

During the past three years, new or expanded industries have occurred in 67 of our 77 counties. In 1969, industrial growth progressed more than any previous year.

Preliminary figures for 1969 show that capital expenditures for industrial facilities exceeded \$242 million dollars, which will (according to the companies involved) create 12,290 new jobs. These totals are incomplete, yet they show that Oklahoma's Industrial growth, its economic growth, has reached new levels.

In the past three years, \$492 million dollars has been or will be invested by industry and 28,600 new jobs have been or will be created (according to the companies involved.)

In October, 1969, Oklahoma employment was up 18,500 over October, 1968, despite a 1,000 job loss in agriculture.

In 1969, total employment reached one million for the first time.

We already have laid the foundation for 1970, with the announcement that the Weyerhaeuser Company will invest in excess of \$100 million dollars in Southeastern Oklahoma.

This achievement has been no one-man show.

It is the result of a coordinated, coop-

erative effort, from Chambers of Commerce to civic organizations to industrial leaders to individual citizens, to our Industrial Development Division, and to you, the Members of the Legislature, who have provided laws — and money — to make Oklahoma more attractive to industry.

The goal of my administration has been "more and better jobs." It will be my goal in the future.

One portion of our success formula depends directly upon you and the citizens, and that is the submission and approval of an increase in the amount of dollars the Oklahoma Industrial Finance Authority may use to attract new or expanded industry. It is essential this be accomplished at a special election during this session.

As of November 1, 1969, the Authority has made 82 loans totaling \$9.1 million dollars. Of that sum, \$8.6 million was to industry in non-metropolitan areas.

These loans will create (according to the companies involved) 7,907 new jobs, with an estimated payroll of \$44 million dollars.

In the past nine years, these funds have helped finance industry in 51 counties.

New and expanded industry valued at \$58.8 million dollars was located in 50 rural counties with the assistance of the Authority.

Loans in the process of being closed total another \$10 million dollars which will completely exhaust available funds.

During 1969, 28 counties voted more than \$40 million dollars in general obligation bonds for industrial development. This brings to 52 the number of counties with such bonds.

Private industry in 1969 donated \$220,000 for an indepth study of Oklahoma's industrial potential. The Industrial Development and Park Department is imple-

menting this study, known as the Fantus Report.

Five thousand names of potential plants for Oklahoma were provided.

In 1969, the State's industrial coordinators visited approximately 200 Oklahoma communities. Calls were made in 86 industrial centers in 35 states.

The Ozarks Regional Development Commission allocated \$2 million Public Works dollars for projects in 37 Eastern Oklahoma counties. These projects included vo-tech schools, airports, and sewer and water improvements.

In tourism — itself an industry — 1969 produced more than \$380 million dollars, new dollars from outside the State.

A vital factor in our industrial and economic growth is education.

Many yardsticks may be used to measure Oklahoma's Educational System, but one accurate yardstick is the ability of the system to produce a highly proficient and professional and technically-skilled labor force to satisfy the demands of the most sophisticated industry.

As my Economic Development Report indicates, we are educating students that can compete, and because of our system, our State is enjoying an unprecedented growth.

We are attracting industry because we have a good school system.

We must strive to make it even better.

Total State appropriations to education during this administration will amount to at least \$623,200,441.

Under my proposed budget, appropriations to common schools will have increased 77 per cent during the four-year period ending June 30, 1971.

Teacher salaries in 1967-68 averaged \$6,259. This year, the average is \$7,300. For fiscal 1970-71, if my proposed budget is adopted, the average will exceed \$7,800.

One of the most dramatic steps being

made in education in Oklahoma is the state-wide system of area Vocational-Technical Education Centers.

Here, for the first time in Oklahoma's educational history, young people of high school age are learning the sophisticated skills necessary to hold technological and other jobs in the exciting decade we face today.

To date, 17 area Vo-Tech School Districts have been formed. Our State Department of Vocational and Technical Education has planned for 22 schools to offer this type of education within commuting distance of every resident of Oklahoma.

We have developed within our Vo-Tech System the Special Schools Program, which allows us to train workers for specific industries anywhere in the State.

In higher education, according to the U.S. Department of Commerce, Oklahoma ranked 20th of the 50 states in per capita expenditure in fiscal 1968-69.

Student enrollment in the Oklahoma State System of Higher Education has increased by approximately 100 per cent over the past ten years.

In that same period, Educational and General Operations Budgets of State System Institutions have increased 166.8 per cent.

It is revealing that the average increase for the last three years of this period amounts to \$11 million per year, as compared to \$5 million the preceding seven years.

The total number of students in Oklahoma Higher Education now equals the combined total of 15 Oklahoma counties.

Latest figures compiled by the State Regents reveal that about 67 per cent of Oklahoma's High School Graduates go on to college — placing Oklahoma at or near the top among the 50 states.

Oklahoma ranks seventh among the 50 states in the ratio of state institutions to population, with one State-Supported Institution for each 145,000 citizens.

Oklahoma State Higher Education will expend approximately \$235 million in construction of new academic facilities during the decade 1965-75.

THE BUDGET

Before discussing the major points of the budget, I want to make several general observations.

You will find in a detailed examination of my proposed budget that the tax collar is being stretched.

That will come as no surprise to you. In all likelihood, you will be beset by those who say that the tax dollar is being stretched too far.

But I submit to you that the tax dollar used to run State Government is not stretched as far as the dollar used to run the households of Oklahoma taxpayers.

The budget includes sufficient funds to increase the minimum salary for every State employee to \$310 per month.

It includes sufficient funds to provide a one-step pay increase for every State employee.

It includes \$500,000 to fund a proposed disability program for State employees.

These three steps will, I believe, elevate employees of the State to the level afforded employees of private industry. These steps are overdue.

PUBLIC SCHOOL EDUCATION

In Public School Education, I recommend a total appropriation of \$113,176,445, an increase of \$16,839,945. This increase provides sufficient funds to finance the present school code, substantial increases for counseling, special education, kindergartens, transportation, and an increase in the minimum salary of teacher to \$6,000 per year.

TEXTBOOKS

I propose \$3,283,857 for textbooks. This amount will raise our per pupil expenditure from \$4.00 to \$5.00.

TEACHER'S RETIREMENT

I propose an appropriation of \$3.5 million dollars for Teacher Retirement.

This proposed expenditure covers only what is required by present law.

I know that you are committed to an increase in Teacher Retirement Benefits, and while I personally favor such an increase, the funds available for appropriation as estimated by the State Board of Equalization are not sufficient to fund any increased benefits without retarding the growth of other needed functions.

However, as you are well aware, other funds — over and above the estimate by the Equalization Board — are available for appropriation by you. The Income Tax Adjustment Fund has more than \$1 million dollars which you can — as you have in the past — appropriate.

I therefore recommend that you honor your commitment to increase Teacher's Retirement Benefits and that you finance the increased benefits from the Income Tax Adjustment Fund.

IF the increased benefits are realistic, IF the increase is financed from the Income Tax Adjustment Fund, and IF the amount appropriated to finance the increased benefits will allow the Retirement Fund to remain actuarially sound, THEN I pledge you my support in honoring your commitment.

HIGHER EDUCATION

For Higher Education, I propose an appropriation of \$67,705,883, an increase of \$8 million dollars. I recommend that \$50,000 be set aside for a Student Loan Program and that \$200,000 be set aside for a Televised Instruction Program which will provide a method of taking the classroom to industrial communities where advanced courses in Higher Education are needed. Industry of the State will participate in this program by providing additional funds to establish the system and to help defray operating costs.

VOCATIONAL-TECHNICAL EDUCATION

To further improve our growing Vocational-Technical Education System, I propose a total of \$4.3 million dollars, an increase of \$750,000. This \$4.3 million dollars represents an amount three times the amount appropriated in 1967.

HIGHWAYS

I propose an appropriation of \$62,690,298 for highways, an increase of \$4.7 million dollars. Three point seven million dollars will come from the Highway Construction and Maintenance fund and \$1 MILLION FROM THE GENERAL REVENUE FUND.

PUBLIC HEALTH

I propose an appropriation of \$2,554,020 for Public Health, an increase of \$363,016. I request \$150,000 to assist local health departments. I also REQUEST \$50,000 BE ALLOCATED FOR A GUIDANCE CENTER PROGRAM and \$50,000 FOR FAMILY PLANNING.

MENTAL HEALTH

I propose an appropriation for Mental Health of \$13,874,864. This includes an increase of \$17,735 for the department itself.

I further propose an increase of \$553,249 for Central State Griffin Memorial Hospital; an increase of \$393,833 for Eastern State Hospital, and an increase of \$186,935 for Western State Hospital.

Upon the strong recommendation of the Director of Mental Health, I recommend that Taft State Hospital be transferred to the Welfare Department as an Institution for Adult Mental Retardates.

Over the past six years, the resident patients in the four State Mental Hospitals have gradually decreased from approximately 6,300 to 3,600. Indications are that this trend will continue.

For reasons of economy and utilization of professional personnel, it seems logical to effect this transfer, especially in light of the need existing in Oklahoma

for an institution devoted to the care and rehabilitation of Adult Mental Retardates.

There are in our four mental hospitals approximately 350 Retardates. I recommend that they be integrated into the Oklahoma Public Welfare Commission's Program for the Mentally Retarded and its other programs, and that all mental patients now cared for at Taft State Hospital be assigned to Eastern, Central and Western Hospitals in accordance with their residence of origin.

Because responsibility for the care and rehabilitation of retardates rests with the Welfare Department, it is appropriate that Taft be transferred to that Department.

LAW ENFORCEMENT

In Law Enforcement, I have four recommendations.

1—The establishment of the Oklahoma Criminal and Traffic Law Enforcement System, at a cost of \$374,000.

2—The addition of five agents for the Oklahoma Bureau of Investigation.

3—The addition of 85 Highway Patrolmen — which will bring Patrol strength to 538, an increase of 179 in the four years of this administration. I also recommend pay increases of \$50 per month for Uniformed Personnel, and a \$40,000 appropriation for the Southwest Center for Law Enforcement.

4—Transfer of responsibility for Water Safety and Enforcement from the Industrial Development and Park Department to the Department of Public Safety.

CORRECTIONS

As an adjunct to Law Enforcement, I have made recommendations involving our Correctional System.

They are:

Increases of \$600,000 for the State Penitentiary and \$72,141 for the State Reformatory. These increases are necessary to meet rising costs and provide additional personnel to handle increasing penal population.

In addition, I recommend funds be ap-

propriated to the Corrections Department to provide for hiring seven additional Probation Officers and an Assistant Director of Probation and Parole.

OTHER BUDGET
RECOMMENDATIONS

I recommend the expenditure of \$50,000 for capital outlay in preparing Camp Gruber for use by the Oklahoma National Guard.

I recommend \$30,000 for the Department of Agriculture to initiate a System of Pesticide Control.

I recommend \$24,000 as the first appropriation for the State Office of Economic Opportunity. We have assurances from the Federal O. E. O. Office that it will support meaningful programs by the State O. E. O. Office for the poor of Oklahoma.

I recommend a reduction of \$250,000 in the Corporation Commission Appropriation. This reduction is granted at the request of the Chairman of the Commission, Charles Nesbitt.

I want to compliment Chairman Nesbitt for requesting this decrease in appropriation. It appears to me an intelligent and realistic reduction, and constitutes an attitude that might well be copied by other Agencies of the State.

PLANNING AND COMMUNITY
AFFAIRS

I recommend the establishment of the Office of Community Affairs and Planning within the Executive Branch, to assist local officials in planning, in developing long-range goals and to increase coordination between state, county and municipal officials.

OTHER LEGISLATION

I strongly urge you to enact legislation calling for a Constitutional Convention to upgrade and update our existing Constitution.

I recommend you review our existing laws on drugs and narcotics and make

any needed changes. In this regard, I refer you to the report of the recent Governor's Seminar on Drugs and Narcotics for recommended improvements in this area.

I recommend passage of a Scenic Rivers Bill.

I again recommend early passage of a Proposed Constitutional Amendment to increase the lending authority of the Oklahoma Industrial Finance Authority and request an election be held on the Resolution at the earliest opportunity.

ECONOMY AND EFFICIENCY

The Budget which I propose to you is, in my opinion, one of the best Budgets ever presented to any Legislature in the history of Oklahoma.

It recommends substantial increases in practically all areas of State Government.

It fills the needs of the various departments of government, even though it falls short of filling the requests and desires of the various departments.

I am proud of this Budget, proud that we are able to continue to finance State Government without a general tax increase on our already over-burdened taxpayer.

But, Ladies and Gentlemen, I am disappointed, too. Disappointed that this Budget is not the best Budget which could be written if adequate laws were enacted by you to increase economy and efficiency in Government, without at the same time increasing taxes.

There are many measures now pending before you which, if enacted into law, would substantially increase the amount of money which you could appropriate.

Among these are:

1. SB 38, which would abolish the Office of County Superintendent of Schools.
2. SB 252, which places County Commissioner's purchases under Central Purchasing.

3. SJR 3, which abolishes the Office of Commissioner of Charities and Corrections.

4. SJR 4, which authorizes the Board of Affairs to establish an Interagency Mail Service.

5. SJR 25, which abolishes the Office of State Auditor.

6. HB 1062, which abolishes the Cotton Gin Utilities Division of the Corporation Commission.

7. HB 1064, which authorizes the State Depository Board to employ an Investment Specialist.

In addition, with interest rates at an all time high, you should enact a realistic Bill for the investment of idle State Funds.

I urge you now, as I have repeatedly urged you in the past, to enact these measures into Law, to prove to the people of Oklahoma that we can, and we will, do everything in our power to make the best possible use of their tax dollar.

Senator Terrill moved that the President Pro Tempore be authorized and directed to approve claim in payment of postage to provide each member of the Senate with sufficient postage, which motion was declared adopted.

Upon motion of Senator Terrill, each member of the Senate was allowed the sum of Two Hundred and Fifty Dollars (\$250.00) for expense of purchasing personal stationery, supplies and equipment.

Bill numbers listed under "First Reading" begin consecutively with the last number used in the First Regular Session of the 32d Legislature.

**RESOLUTION OF THE
 STATE BOARD OF EQUALIZATION**

WHEREAS, according to the provisions of Article X, Section 23, of the Oklahoma Constitution, as amended April 16, 1968, (State Question No. 453, Referendum Petition No. 166), which provides now in part, as follows: "Within twenty-one days after the adopting of this amendment and thereafter prior to the convening of each regular session of the Legislature, the State Board of Equalization shall make an itemized estimate of the revenues to be received by the State under the laws in effect at the time such estimate is made, for the next ensuing fiscal year showing separately the revenues to accrue to the credit of the General Revenue Fund and each special fund of the State, and the total amount of such estimate for such fiscal year shall not exceed the total

revenue which accrued to each such fund for the last preceding fiscal year, to which amount shall be added the cash surplus, *** and all appropriations made in excess of such estimate shall be null and void; provided, however, that the Legislature may at any regular session or special session called for that purpose, enact laws to provide for additional revenues, other than ad valorem taxes, or transferring the existing revenues or surpluses from one fund to another, whereupon it shall be the duty of the State Board of Equalization to make an estimate of the revenues that will accrue under such laws and to file the same with the Governor and with the President of the Senate and the Speaker of the House of Representatives, and the amount of any increase or decrease, resulting, for any reason, from such laws shall be added to or deducted from each respective fund, as the case may be. The amount of such adjusted estimate shall be the maximum amount which can be appropriated for all purposes from any fund for the fiscal year estimated.” and,

for the next fiscal year; and has also determined the cash surplus now existing in the hands of the State Treasurer to the credit of any such fund and not previously appropriated by the State Legislature.

NOW, THEREFORE, BE IT RESOLVED BY THE STATE BOARD OF EQUALIZATION, that the sums and amounts reasonably estimated to accrue to the General Revenue Fund and to the several special funds of the State as herein set forth be, and they are hereby adopted and fixed by this Board as the official estimate of monies to accrue for and during the fiscal year ending June 30, 1970, which said sums and amounts are in words and figures as follows, to wit:

Pursuant to adjournment, the Senate was called to order by its President, Lieutenant Governor George Nigh.

Upon roll call, the following members were present:

Present: Atkinson, Baggett, Berrong, Birdsong, Boecher, Bradley, Breckinridge, Crow, Dacus, Ferrell, Field, Garrett, Garrison, Grantham, Graves, Ham, Hamilton, Hargrave, Holden, Howard, Inhofe, Keels, Lane, Luton, McCune, McGraw, McSpadden, Martin, Massey, Medearis, Miller, Murphy, Nichols, Phillips, Romang, Short, Smalley, Smith, Stansberry, Stipe, Taliaferro, Terrill, Williams, Young.—44.

Prayer was offered by the Chaplain and is incorporated herein upon request of President Pro Tempore Smith:

O God we pause for prayer, quite sure that there are better things we can do with our time. We ask for strength, though we are certain that we can do our jobs without any supernatural help. We pray for guidance even as we know we are going to do things our own way and nothing is going to change our direction.

Forgive our arrogance, our pride, our stubborn refusal to recognize that we are weak human beings, constantly in need of resources beyond ourselves.

Remind us of our childish excesses, our lack of courtesy to those we love, our narrow goals for ourselves and for those we serve. Remind us even more of your forgiveness for the sins of the past and your grace to make us better.

Deliver us from thinking that you will do anything without our help or that we can do anything without yours, Amen.

The Journal for the last legislative day was declared approved.

Give to every senator a renewed dedication to good government and grace to overcome public apathy, and to be faithful in spite of it. Give to those who serve behind the scenes—the secretaries, the sergeants-at-arms, pages and custodians—a sense of the important part they play in good government, and the special graces needed for their tasks.

Our Father in Heaven, to Thee we come in the Name and through the merits of the Lord Jesus Christ, our Lord and Master. You have taught us in Your Word that first of all prayers, supplications, and intercessions be made for those in authority, that they may lead a quiet and peaceable life in all godliness and honesty. We pray, therefore, for all these in this room today, that they may have wisdom, integrity, courage and faithfulness in the performance of the duties assigned to them. May we remember that government is an institution ordained by Thee, for you do

not desire that mankind should live in anarchy in which everyone does that which is right in his own eyes. May, therefore, every officer remember that he will give an account of his office, not only to his fellow citizens, but especially to Thee in that day of accounting.

Likewise, we pray for the citizens of our land, cause them to know that righteousness exalteth a nation, but sin is a reproach to any people. From Thy Word and from the record of the past, cause them to know that You require that we do justly, love mercy and walk humbly with Thee; and that You turn to destruction all the nations that forget God.

Father, we sincerely pray that this will be a day of good tidings for all.

These petitions we present to You through the Name of Your Son. . . . Amen.

The Journal for the last legislative day was declared approved.

OUTSTANDING CITIZEN AWARD

1969

This certificate acknowledges an outstanding citizen of Midwest City and is issued as a special recognition for many years of community service. The Midwest City citizen named herein has for more than twenty-five years given of his time, talent, and finances to every worthy community project.

"We Can Try It and See" is the attitude which has characterized his participation in a broad field of activities since he became a citizen of Midwest City. Having enjoyed considerable success in several business ventures, he is presently engaged in an avocation to which he dedicates time and energy comparable to that which you might expect of a professional. He helped to organize one of Midwest City's major civic clubs, which he served as charter president, and lent his support and energies to a variety of activities, including the purchase of band uniforms, funds for uniforms for early day firemen and policemen, helped establish programs for FFA, American Legion, and YMCA, and lent his considerable support to many other organized activities in the community. His generosity is best illustrated by his contribution of land for Midwest City's first park, the Lions Park and the Kiwanis Park, in cooperation with his associates. He is a member of the Wickline Methodist Church, Tinker YMCA, Sportsman's Club, Elks, Cowboy Hall of Fame, and serves as a member of the Board of Directors of the Midwest City Chamber of Commerce. His interests outside the community have brought him recognition when he was designated "Conservationist of the Year" by the National Wildlife Federation and the Robert A. Macklanburg, Jr. Foundation, in cooperation with the Oklahoma Wildlife Federation. His "Can Do" attitude was typified by a willingness to raise \$10,000 to help finance Midwest City's 25th anniversary celebration.

In recognition of his long-time leader-

ship and support of Churches, Civic Clubs, Youth Activities, his profession, and the Midwest City Chamber of Commerce, it is our privilege to declare that:

H. B. ATKINSON is an outstanding citizen of Midwest City and deserving of our every appreciation.

IN WITNESS whereof we set our hand and seal this 20th day of January, 1970.

They have the weight of the whole population of this State on their shoulders. These busy men have important tasks to perform.

Why, then, have we interrupted the schedules of those busy men to consider you? Is it because it looks good to pray? Is it because it is a decorative part of

formal openings of meetings? Or is it because these busy men know they need all the help you can give? Which reason is it, Lord. Which one is it? Let each one here make his own answer. Amen.

Senator Garrison asked unanimous consent that all other members of the Senate be made coauthors of the Resolution, which was the order.

SCR 50, as coauthored, was read at length as follows, adopted upon motion of Senator Hamilton, and ordered referred for engrossment.

SCR 50—By Hamilton, Atkinson, Bagget, Baldwin, Berrong, Birdsong, Boecher, Bradley, Breckinridge, Crow, Dacus, Ferrell, Field, Garrett, Garrison, Grantham, Graves, Ham, Hargrave, Holden, Horn, Howard, Inhofe, Keels, Lane, Luton, Mc-

Cune, McGraw, McSpadden, Martin, Massey, Medearis, Miller, Murphy, Nichols, Payne, Phillips, Porter, Romang, Short, Smalley, Smith, Stansberry, Stipe, Taliaferro, Terrill, Williams, Young.—A Concurrent Resolution paying tribute to the late Everett McKinley Dirksen; and expressing thanks to Congressman Albert for his remarks on the occasion of the death of Senator Dirksen.

WHEREAS, the United States Congress and the people of this country suffered a great loss by the untimely death of the late and distinguished United States Senator from Illinois, Everett McKinley Dirksen; and

WHEREAS, in a nation which is governed under the republic form of government, great men must place their country above all else, regardless of their personal position, and Senator Dirksen, more than any other man in the history of our Congress exhibited these qualities and had the respect of his colleagues and this Nation. In times of crisis he supported Presidents of the Democratic Party with force and vigor, believing that the preservation of our Nation, its ideals, purposes and perpetuation should be the first call of duty; and

WHEREAS, shortly after his death he was eulogized by his colleagues in the Congress, and many of their comments are found in the September 8 edition of the Congressional Record; and

WHEREAS, it is appropriate that the Oklahoma State Senate pause to reflect upon the memory of this great American, and perhaps the millions of words that were spoken around the world could be summed up in the remarks made by Oklahoma's distinguished Carl Albert which are found in the Congressional Record as follows:

"Mr. Speaker, the news report, which I, like many others, received while listening to television yesterday afternoon, that Senate minority leader EVERETT Mc-

KINLEY DIRKSEN had died left me shocked and saddened.

"I have had the privilege of knowing EVERETT DIRKSEN since the day I took my first oath of office in this House nearly 23 years ago. I have known him over the years as a remarkable man, an extraordinary legislator, and a personal friend.

"Senator DIRKSEN was a man of many parts. He was among the last of the great orators of the old school to serve in the Congress. His flair for the dramatic, his knowledge of great literature, his uncanny memory, his rare imagination served to make him the most colorful speaker of our time.

"If there was ever an institution in the Congress or the country it was EVERETT DIRKSEN. His name was a household word. He was truly a legend in his own time. With his death the Congress has lost perhaps its best known and most famous Member.

"Senator DIRKSEN tenaciously pursued ideas in which he was interested. Sometimes these were in areas that caused many of his critics to consider him an obstructionist. Certainly I did not share all of his legislative interests, but I never ceased to admire his relentless pursuit of his goals.

"Above all, when the chips were down, when the national interest was at stake, Senator DIRKSEN was always the patriot, always the towering statesman.

"In him there was ever present an element of greatness which stood out in critical hours. His defense of the Marshall Plan, the Test Ban Treaty, the Civil Rights Act of 1964, at crucial moments, made it clear that he was more than a skillful politician. He was, when great issues were at stake, not only a great legislator but also a fearless and indispensable leader. He was indeed one of the great statesmen of our time.

"In the death of Senator DIRKSEN ev-

ery Member of both Houses of Congress has lost a friend. The Congress has lost not only one of its most illustrious Members, but also one of its greatest champions. No Member of either House was more dedicated to the importance of the legislative department of Government. No one, either publicly or privately, was ever more determined in his defense of Congress as an institution or of the rights and prerogatives of its Members. In every bill designed to upgrade congressional service EVERETT DIRKSEN was a front rank leader. He loved congressional service. Even in his last years, though often haunted by illness, he worked tirelessly at his job. He believed in it and he made no apologies for his support of the importance of congressional service.

"This great and unique man who for decades has seemed almost as familiar and indispensable in this city as the Capitol dome has departed his friends and colleagues.

"To paraphrase Edwin Markham, like the giant oak that falls on the hillside, the death of EVERETT DIRKSEN has left a lonesome place against the sky. It is a sad farewell when we say goodbye to our friend, EV DIRKSEN. May his soul rest in the arms of the Almighty and may the peace of God comfort Mrs. Dirksen and their daughter and all the family, as they, above all others, must bear the burdens of his loss."

Now, therefore, be it resolved by the Senate of the Second Session of the Thirty-second Oklahoma Legislature, the House of Representatives concurring therein:

SECTION 1. That the Oklahoma State Senate and the Citizens of Oklahoma pay tribute to this great patriot, and further express thanks to Congressman Albert for his remarks which shall be preserved for history, and we thank Mr. Albert for expressing these views which reflect the feelings of all Oklahomans.

SECTION 2. That copies of this resolution be distributed to Mr. Albert, the Ok-

lahoma Congressional Delegation, and to the family of the late Senator Dirksen.

SCR 52—By Field of the Senate and McKee, et al, of the House was introduced, read at length as follows, adopted upon motion of Senator Field and ordered referred for engrossment:

SCR 52—By Field of the Senate and McKee and Harrison of the House—A Concurrent Resolution relating to the Selective Service System; requesting the Congress of the United States to enact legislation providing for geographical-population quotas, based on the population of counties or other local units of government, for drafting manpower under said system; and directing distribution of copies of this Resolution.

WHEREAS, the Selective Service System is the oldest and most universal method for providing military manpower needs; and

WHEREAS, widespread public criticism of the system has intensified as a result of our involvement in Vietnam and an increase in the number of young men reaching 18 years of age due to the population explosion; and

WHEREAS, further criticism results from the high ratio of young men drafted to total community population, particularly in sparsely populated areas, and the high incidence of military deaths there-

from, such as the Ohio town of 450 population for which the Vietnam death toll is 75 times the national average and the last remaining young man of draft age has been inducted; and

WHEREAS, the citizens of a number of small Oklahoma communities have expressed grief and concern that the death toll for their sons in military service is far in excess of the national average; and

WHEREAS, a vital need exists for geographical-population quotas, applicable to and effective for sparsely populated areas, to maintain and assure a proportionate contribution of draftees from the various areas within the individual states, based on the population of said areas; and

WHEREAS, in legislative representation, and in other areas of the governmental process, population is recognized, and in many instances made mandatory by court direction, as a criterion for policy making; and

WHEREAS, the establishment of geographical-population quotas is one device to provide a more equitable method for selecting draftees;

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE 2ND SESSION OF THE 32ND OKLAHOMA LEGISLATURE, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:

SECTION 1. The Congress of the United States is hereby requested to enact legislation providing for geographical-population quotas for drafting manpower under the Selective Service System, said quotas to be based on the population of the several counties or other local governmental units.

HCR 1044—By Privett, Sparkman, Derbyberry, Cox, Tarwater and Tabor of the House and Medearis, Grantham, Lane, Crow and Baggett of the Senate.—A Concurrent Resolution memorializing the Congress of the United States to take positive action to insure passage of legislation to provide adequate funds to implement child feeding programs; and directing distribution.

WHEREAS, in 1946 the Congress of the United States passed an act to make the national School Lunch Program permanent; and

WHEREAS, the basic objectives of this program were stated in the following Declaration of Policy: "It is hereby declared to be the policy of Congress, as a measure of national security, to safeguard the health and well-being of the Nation's children and to encourage the domestic consumption of nutritious agricultural commodities and other food, by assisting the States, through grants-in-aid and other means, in providing an adequate supply of foods and other facilities for the establishment, maintenance, operation, and expansion of nonprofit school-lunch programs"; and

WHEREAS, this program has been acknowledged at all levels of government as an exemplary cooperative local, state and federal endeavor; and

WHEREAS, surveys have found that hunger and malnutrition exist in all areas of our country and at all economic levels; and

WHEREAS, educators and health and nutrition specialists have found that well nourished children are easier to discipline and learn more rapidly than hungry children; and

WHEREAS, these surveys and evaluations have caused great interest in relieving hunger and malnutrition, new child feeding programs have been established and funded through the same channels; and

WHEREAS, in school districts which have made a maximum effort to implement the nutrition programs and include nutrition education in the school and community, and other districts which have made a maximum effort to include all those children financially unable to pay the full cost of their meals, there has been great expansion in participation and, at the same time, program emphasis has changed from "consumption of nutritious agricultural commodities" to "safeguard the health and well-being of the Nation's children"; and

WHEREAS, local communities and states, nationwide, have been greatly handicapped in the ability to fully implement these programs because the need is greater than funds will afford; and

WHEREAS, the State of Oklahoma, operating with the allocations made from the regular U. S. Department of Agriculture Congressional appropriations and projecting program obligations to participating schools, will exhaust all available funds sometime in March, 1970; and since the schools will have no resources from which to supplement the programs, the result will be that food service to children unable to pay the full price of the meal will be withdrawn; and

WHEREAS, it is mandatory that every participating school system must have an approved policy which declares that meals will be provided to those unable to pay the full cost, they cannot legally remain in the program and, thus, their total program will be in jeopardy; and

WHEREAS, in some areas the meal provided through the School Lunch Program to needy children is the only substantial meal eaten by such children each day.

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE 2ND SESSION OF THE 32ND OKLAHOMA LEGISLATURE, THE SENATE CONCURRING THEREIN:

SECTION 1. That the Congress of the United States be and hereby respectfully is urged to take positive action immediately to insure passage of pending legislation which will provide an appropriation of funds adequate to insure that all states will be in position to reach every child with nutritionally sound meals; most specifically to provide assistance in supplying free and/or reduced price meals for very needy children.

SECTION 2. That duly authenticated copies hereof be forwarded to the Speaker of the United States House of Representatives, the President Pro Tempore of the United States Senate, to each member of the Oklahoma Delegation in Congress and to the presiding officers of the legislative bodies in the several states.

It is our intention during this tour to exchange information relative to the trends in society, relative to the changes in agriculture and relative to the needs of business and industry. We hope in the FFA to make our program relevant to the times. I think our efforts in that regard are very much in evidence when it is noted that we in the FFA are moving into many areas of activity—market, distribution and profit.

Once it was that FFA and Vocational Agriculture concentrated specifically on farming and ranching occupations, but now we are branching into new and dynamic areas of study in the agricultural industry. Vocational technical education in Oklahoma is quite strong. I am proud of that fact, and I'm proud to be an Oklahoman who has been through the vocational education programming. In many states vocational education and vocational agriculture are suffering. Staffs are being cut and funds are being cut. Here in Oklahoma, I think we have one of the very strongest vocational and technical programs in the nation. It is through your efforts, largely—through the appropriations made by the Oklahoma Legislature.

Why are people de-emphasizing vocational agriculture around the nation? They feel it is not relevant—that's the answer. But vocational agriculture and the FFA program of activities are relevant. Of course American agriculture has no rival in the world as far as agricultural production is concerned. I think it is a great paradox in our day when half the world is counting grains of rice that we are forced to count our calories. That very fact offers a challenge to all of us to keep American agriculture strong—to keep those attributes of agriculture that serve the production aspects strong! The story of agriculture needs to be told. There's a

great change in the efficiency and the importance to the American economy—those things are important!

Recently I was in Yellowstone National Park and I read a sign that said, "Do not feed the bears." I asked the Ranger "why." He told me that after the tourist season the bears would starve to death before they went into winter hibernation—that if they had been fed all summer, they would not know how to get back into those logs and get out honey, or they wouldn't know how to go pick wild berries to sustain themselves. Well, I have a perfect parallel to that—the American young people! Too many times the parents in our affluent society are just waiting to give their sons and daughters everything on a silver platter. It is about time the American youth realized that if we are going to be successful, we must realize that a day's pay comes from an honest day's work!

How many times have you seen young people come to these very Capitol steps to protest the Oklahoma Government—protest the educational structure here in Oklahoma—protest everything that Americans hold dear simply because they have never been responsible in their homes? We in rural America have chores to do daily. We are constructively involved with our vocational agriculture instructors, our school administrations, our community figures; but, most of all, with our parents and church—these are profoundly important!

How many times have you seen the "turn-on-drop-out" philosophy in evidence in Oklahoma—across the Nation? The other day when we came in this national good will tour to Washington, D. C., as we flew out of National Airport, we saw all kinds of hippies, and those who were carrying their placards; and, I wondered to myself—"What about this 'C' in America—what about the lack of love—the lack of God—the crime and apathy and the indifference—but then I thought of the

people we are going to be meeting with during these next few weeks as we travel across the country—the people who are really concerned about those people, and who are really concerned about the future that we hold dear for America!

Gentlemen, your continued support in Oklahoma of the Future Farmers of America will transform the motto of this organization into a way of life. What a beautiful pledge our motto is: "Learn to Do"—through classroom instruction; "Doing to Learn"—through FFA activities; "Earning to Live"—through occupational experience programs; and, the greatest line in our short motto is "Living to Serve".

The future lies before all Americans—for young America there will be many challenges, and we must come up with answers; but, the Future Farmers of America welcome these opportunities—we welcome the challenges of tomorrow—we know that in America we have much to live with; and, God knows—**EVERYTHING TO LIVE FOR!**

Almighty God, Our Heavenly Father, it is Thy business we are about today. So we pause at mid-day to offer Thee our efforts of the morning hours, and to seek Thy help for the hours ahead.

As we labor help us to remember that all problems are spiritual problems. Help us to discern in each measure of responsibility the spiritual factor at the center. Keep us ever aware that mankind's work and life should glorify Thee, that you do not exist for man, rather man exists for Thee. So then Our Father, help us to be mindful of Thy infinite concern and caring love, working to assist us to be prudent and providential in planning for the

public good. Keep us conscious that the people are Thy people. We acknowledge therefore, that we are servants first of Thee, and consequently servants of the people.

Forgive us Father when we work an hour, a day, or a week, as though we are alone, and are not Thy tools. Forgive us that we labor sometimes without consciousness of being co-laborers with Thee. In the name of the Suffering Servant, Jesus Christ, we pray. Amen.

Upon roll call, the following members were present.

Atkinson, Baggett, Baldwin, Berrong, Birdsong, Bradley, Breckinridge, Ferrell, Field, G a r r e t t, Garrison, Grantham, Graves, Ham, Hamilton, Hargrave, Holden, Horn, Howard, Inhofe, Keels, Lane, Luton, McCune, McGraw, McSpadden, Martin, Massey, Medearis, Miller, Nichols, Payne, Phillips, Porter, Romang, Short, Smalley, Smith, Stansberry, Stipe, Taliaferro, Terrill, Williams, Young.—44.

The President declared a quorum present.

The following prayer was offered by the Chaplain and is incorporated herein, upon request of Senator Field:

Almighty God, our Heavenly Father, we stand before Thee today in celebration of Thy power. We recognize that all power has its origin and source in Thee. It is common place for us to see Thy power in the scenes of Mother Nature, the earthquake, the storm, the sun by day and the moon by night. In the world of business and law we even call certain events of nature "Acts of God".

We do not so easily see Thy power in operation in human affairs. We are prone to speak of history as the deeds of men, yet if Thou are truly God, even the affairs of men come under the influence of Thy power. The prophets of old saw the power of Thy hand in the rise and fall of nations, in the ascendancy of men into

positions of prominence and rulership.

Give us eyes to see Thy mighty work in today's human history, in the movements and causes of our times and days. Help us as citizens and law-makers to test our acts and decisions by the plumbline Thou dost hold for the edifice which is the State of Oklahoma.

If we fail Thee, help us to know again the grace of Thy mercy and the joy of Thy peace. In the name of our Lord Jesus Christ. Amen.

The Journal for the last legislative day was declared approved.

We thank Thee that Thou hast decreed the universal law of freedom, and hast enlightened our understanding to realize our freedom gives us the privilege of choosing whether we shall, or shall not, obey Thy laws as individuals or sovereign states.

We thank Thee also for giving us the

understanding that disorder and even chaos ensue when we do not obey Thy laws, and that peace and harmony prevail when we do obey. We thank Thee that Thou dost love us still when we have failed to be obedient. May Thy Grace and Wisdom prevail in us to the end that all our lives, and all our relationships shall express Thy perfect will of good will and peace. In the name of our Lord Jesus Christ, we pray. The following prayer was offered by the Chaplain, the Reverend Ed Stewart, pastor of the Country Estates Baptist Church of Midwest City, and is incorporated herein, by unanimous consent, upon request of Senator Atkinson:

O God, we are prone to forget that you are concerned about the affairs of men, and that you are concerned about what is said and done here this day. Let us not foolishly think that when this prayer is said that our dependence on You and our accountability to You is ended. Rather from these moments of Soul-searching, may there come a consciousness of Your presence to guide us in all the affairs of the day.

You have told us in Your Word that not a sparrow can fall to the ground without Your knowledge. We therefore know that You are not indifferent to what men

do here. We acknowledge that You do govern in the affairs of men. Give us faith to believe that when You want us to do a particular thing or not to do a particular thing, You have a way of letting us know it. Make Your way plain to us—for You know how blind and how stubborn we can be in our own intentions.

Bless these Thy servants in this place in all things great and small. Give us now Thy Spirit to guide and direct our thinking and our decisions, so that when the days work is over we may merit Your commendation "Well done thou good and faithful servant". Through Jesus Christ Our Lord—Amen.

The Journal for the last legislative day was declared approved.

Our heavenly Father, before we engage our minds and our energies in the task committed to our hands this day, we would first acknowledge our dependence on You and our need for divine direction. Though we may be experienced in the ways of men, we know all too little of the ways of God.

In your Book You have told us, "In all our ways acknowledge God." Accompanying that commandment there is a promise that if we so acknowledge You, You will direct our paths. Therefore, for this day's business, we come through prayer to seek your direction. We pray for the inspiration that comes from God. May

each significant decision this day be made in the light of its eternal worth. Give to us divine insight enabling us to see clearly the times in which we live and to faithfully do the work committed to our hands.

Bless the Members of this body and all men everywhere who humbly serve You that we may build a better society for the present and for times to come. This, we ask in the name of our Lord Jesus Christ. Amen.

Grant now, O Lord, that these quiet moments of prayer shall not be merely a gesture to custom and convenience. Rather, make this a real experience for each of us as we look to You for guidance. We have felt Your presence near and dear to us in the sacred experience of worship in the church. Make us now to feel Your nearness in the business of this day.

Make us willing to let You show us what a difference You can make in our work, increasing our successes and diminishing our failures. Help us to work with You that it may be a good day with good things accomplished. This we ask through Jesus Christ, our Lord.—Amen

Our Father, we unite our hearts in prayer to ask for Your blessing on the members of this body. You have made us heirs of a great heritage and trustees of priceless things. Give unto us a true appreciation of our heritage, of great men and of great deeds in the past. On this day as our nation honors the memory of Abraham Lincoln, may we find new inspiration to imitate some of the noble principles of his life. In our hearts, may there be as there was in his, "Malice toward none and charity for all." May we be like him in his concern, not that You are on our side, but that we are on "Thy"

side. May we too be possessed with the conviction that it is a far greater privilege to serve than to be served.

Help us to know that we are not called to fill the places of those who have gone before us, but to fill our own place and do the work You have committed to us. We need Your help to do something about the problems of our world.—the problem of lying, of selfishness, of greed, of lust and of materialism. Give to us faith to seek Your direction. Help us to believe and know that You will guide us. Give to us the willingness to let You work in us, that Your will may be done. We ask this in the name, which is above every name, Jesus our Lord. Amen.

The Journal for the last legislative day was declared approved.

WHEREAS, S. 1232, pending in Congress, seeks confirmation of such concept; and

WHEREAS, authority of the Federal Government for the management of wildlife relates to migratory species which are subject to international treaties and to wildlife on lands over which the states have ceded jurisdiction.

The Resolution, as coauthored was read at length as follows, adopted upon motion of President Pro Tempore Smith, and ordered referred for enrollment:

SR 50—By Smith, Atkinson, Baggett, Baldwin, Berrong, Birdsong, Boecher, Bradley, Breckinridge, Crow, Dacus, Ferrell, Field, Garrett, Garrison, Grantham, Graves, Ham, Hamilton, Hargrave, Holden, Horn, Howard, Inhofe, Keels, Lane, Luton, McCune, McGraw, McSpadden, Martin, Massey, Medearis, Miller, Murphy, Nichols, Payne, Phillips, Porter, Romang, Short, Smalley, Stansberry, Stipe, Taliaferro, Terrill, Williams, and Young.

—A Senate Resolution expressing profound regret and sorrow upon the passing of Joseph R. "Jake" Reinhardt; commending his exemplary life and work; citing his loyalty, dedication, and outstanding services to the State Senate and his illustrious military record as a Frogman in the United States Navy during World War II; extending sympathy and condolences to his family; directing that an authenticated copy of this Resolution be presented to members of the family and that a copy thereof be spread upon the pages of the Permanent Journal of the Senate as an indelible memorial of the appreciation and esteem of this Body for Jake Reinhardt.

WHEREAS, the bond of Senatorial fraternalism is ever present, yet its pervasive warmth is most pronounced during times of tragedy when death removes a member of the official family; and

WHEREAS, in the untimely passing of Joseph R. Reinhardt, known affectionately as "Jake" to his colleagues and many friends, the State of Oklahoma has lost an outstanding citizen and the Senate has been deprived of a friend and able staff member who served with fidelity and devotion—a stalwart defender of the highest and best traditions of the Senate who respected this body as an institution and who loved its members; and

WHEREAS, in the pang of remembrance and the realization of the place left empty that once he filled, we sorely miss his refreshing candor, his dedicated determination, his unquestioned loyalty, and his wise counsel, his sound and commonsense judgment and unique perception of the legislative way of life, and his firm resolve never to seek personal favor by adulation or the sacrificing of his own best judgment; and

WHEREAS, a man of courage who flinched before no foe, Jake served with distinction in the United States Navy during World War II and was one of the five original members of the Navy's un-

derwater demolition team (UDT) and, as such, made a significant contribution in the development of underwater demolition techniques; and

WHEREAS, never covetous of honor and reluctant to discuss his personal accomplishments, Jake won fame as a member of the "frogmen" team, with the vitally important mission of preparing the way for the United States invasion of Japanese-held islands by clearing minefields and other explosive ordnances; and

WHEREAS, Jake, by personal courage and valor, won his place among that small band of men who prove their virtue in action, and by action to be honored for it, including awarding the Purple Heart and Bronze Star Medals for meritorious service in World War II; and

WHEREAS, Jake was a devoted family man who possessed in full measure the human qualities of kindness, sympathy and a willingness to help others; whose generous hand and heart were open to all; who surmounted difficulties and brightened the path for many of his "ole podners"; and

WHEREAS, a man of character whose faith in God never wavered, he was a loyal member of John Calvin Presbyterian Church in Tulsa and the Nowata Masonic Lodge; and

WHEREAS, in his public services as Secretary of the Tulsa County Election Board, State Senate Comptroller, and in other positions of public trust, he was the good steward and achieved success without conceit, disavowing personal aggrandizement; and

WHEREAS, Jake lived the philosophy that the "gentle virtues have their place" and that friendship, to be meaningful, requires unbounded faith in one's fellowmen; and

WHEREAS, to be truly great, one must be truly good and how well he merited this rare distinction; how faithful were the labors of himself; and

WHEREAS, few men could so completely win the hearts, friendship and loyalties of others; and

WHEREAS, among his many friends and colleagues his passing leaves an emptiness that will be partially filled with memories—but never a replacement; and

WHEREAS, while each of us miss the wonderful blessing of daily association with such a trusted and loyal friend and colleague, we are thankful for the worthy example that his life and service sets for us all. His memory will long live in these halls and will be an enduring pride in those he loved so deeply.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE 2ND SESSION OF THE 32ND OKLAHOMA LEGISLATURE:

SECTION 1. That this Senate, which he faithfully served and loved, hereby expresses profound regret and sorrow upon the passing of Jake Reinhardt and extends its deepest sympathy and condolences to his gracious wife, Evelyn, to his son Joe, to his daughter, Sandra, and to all other members of the family.

SECTION 2. Be it further resolved that authenticated copies of this Resolution be presented to each member of the immediate family and that a copy thereof be spread upon the pages of the permanent Journal of the Senate as an indelible memorial of appreciation and esteem for the great life and work of our "ole podner" and outstanding Oklahoman, Jake Reinhardt.

IN MEMORIAM

President Nigh called upon the Senate Chaplain, the Reverend Joe Dickens, to conduct the Memorial Service and his remarks, which are as follows, are incorporated herein upon request of Senator Terrill:

We gather for all too brief a moment to remember friends who are no longer with us. We gather, especially, to remember a

mother of one of you, the father of another, and one who was a friend, father, and mother to us all.

Mrs. Verdie Miller passed from this life on July 22, 1969. She left a proud legacy of service to mankind through her dedication to the Church. She was an evangelist and educator, a molder of the spirits of youth. She served the Church of the Nazarene at Missouri Holiness College at Pasadena College. She did pioneer service in radio and among the black people in temperance work.

She left a legacy in the person of her son, Senator George Miller, who serves well in this body.

Mr. J. Don Garrison died on December 30, 1969. In the words of Dr. D. D. Creech, "He gave his life to education in Oklahoma." At his death a member of the State Board of Education, he served 40 years in the school system in Norman, 27 years as Superintendent. He also gave of his services in World War I, World War II, and in other civic enterprises. He was a Christian, a Mason, a soldier, an educator, a father. His son, Senator Denzil Garrison, continues to honor his father by serving in the Oklahoma Senate.

When he left us on November 15, 1969, Jake Reinhardt left a place in all of us which will be permanently void, yet filled with fond memories. Your memory was refreshed about Jake's tremendous contributions in the beautiful and moving tribute which was just paid to him. May I add some words from his funeral service:

"At first I worried about Jake. He was too subservient, too reluctant to receive honor, too willing to be in the shadows. It took me some years to learn that he was a true servant; his life was serving; he found joy in serving. The day Jake joined my church he stood in the aisle serving as an usher and greeter. He served those who helped him; he also served those who could not return the favor. He did favors for me I could not return, and for most of you.

"Jake was humble about his lack of for-

mal education. He was suspicious of, and a little afraid, of big words. But he could handle big ideas, and he was loved by big people. He had a big heart.

"Jake was human, and he had his weaknesses. First, he was intolerant. He was intolerant of people who were not sold on what they were doing. He was intolerant of pettiness among people. He was intolerant of all who did not give their best to their work. He was willing to serve, but he was intolerant of people who tried to use him or walk over him. He was proud, with the dignity of a man. He was intolerant, most of all, of disloyalty. If I had to choose one word to describe Jake, I would, without hesitation, choose 'loyalty'.

"Jake was intolerant, and he was impatient. Impatient with laziness, indifference, disloyalty."

In the 11th chapter of Hebrews, the author draws up a veritable "Faith's Hall of Fame" as he describes our spiritual fathers and their pilgrimage of faith. At his conclusion he draws an analogy of a sports arena. We, the living, are preparing for the race. Those who have gone before us are seen as spectators. They have done their part, they have finished their course, they have handed the baton to us. Now it is our turn to run.

We honor the dead by resolutions in their memory, by memorial services. But we must also honor them by carrying on the race.

Look up in the gallery. There see Governor W. J. (Bill) Holloway. There sits Senator Kerr. There is Senator Clem Hamilton. There is Mrs. H. B. Atkinson. There see Joanna and Jamie Peterson and Senator Joe Smalley. Now they have been joined by Mrs. Miller, by Don Garrison, by Jake Reinhardt.

"Seeing we are compassed about by so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us."

Let us pray:

Oh God, who is our only hope and strength, we ask your comfort for us who grieve. Strengthen our faith in Your promises, our hope of life eternal, our love of one another. Draw the family and friends close together, to comfort one another in their sorrow. And may their giving up of a loved one to You, draw them closer to You. You are our salvation from every trouble.

God, we thank You for these lives which were lived among us, and for the ways in which our lives were enriched by them. We thank You for the friends who are gathered here, from the comfort of Your word.

Strengthen those who grieve. Grant the comfort of Your promises to us all. Help us to dedicate ourselves to a life of service. Amen.

Upon request of President Nigh, the respective Committees escorted the Governor, and the Reinhardt Family, from the Senate Chamber.

President Pro Tempore Smith presiding.

We are aware that we can vote by the flipping of a switch, but in turns of our relations with Thee and each other, this will not do. It is true we turn each other on and off but we long for a more lasting relationship. As we scramble to coauthor bills and motions may we resolve to coauthor with Thee a new sense of relations with each other. We ask this in Christs' name. Amen.

The Journal for the last legislative day was declared approved.

President Pro Tempore Smith presiding.

COMMUNICATION

The following communication was read and is incorporated herein upon the unanimous consent request of Senator Short:

Mr. Basil R. Wilson
Secretary, Oklahoma State Senate
Oklahoma City, Oklahoma

Dear Mr. Wilson:

On behalf of President Nixon, I am replying to your letter of February 5, 1970 enclosing a copy of Senate Concurrent Resolution No. 51 of the Oklahoma State Senate, which opposes the prejudging of trials of American servicemen for alleged actions in Vietnam.

The Department of Defense shares the views of the Oklahoma Legislature regarding due process of law for American servicemen accused of criminal acts. Particularly abhorrent are statements, actions or publicity which might indicate that guilt has been pre-judged in any case. Applicable laws and policies are designed to protect individual rights and to insure all judicial processes are fair in every respect.

When members of the military are accused or suspected of offenses, scrupulous efforts are made to insure that they are afforded every protection provided by law. In fact, the Uniform Code of Military Justice provides investigative, trial, and review procedures which are generally recognized by eminent authorities as being as fair and comprehensive in the protection of individual rights as the laws generally in effect in civil jurisdictions

in the United States. Upon its enactment, the Military Justice Act of 1968 further enhanced the legal protections accorded to military personnel. In fact, in several important respects, military practices are recognized as affording more legal protection than those generally found in civilian criminal court proceedings. Moreover, some of the Supreme Court rules for protecting suspects established in recent years were adopted into civilian law from the military system. Long ago we adopted the practice of providing free military legal counsel to accused servicemen at the pre-trial, trial and review levels as well as affording them the right to employ civilian counsel at their own expense. Review procedures provided under the Uniform Code of Military Justice are automatic and thorough. Review agencies include the Courts of Military Review and the United States Court of Military Appeals in Washington, D. C. Further review may be obtained in appropriate circumstances by Federal civilian courts.

With respect to prefatory language in the resolution the following observations are offered. Military personnel of all the services are trained to perform their duties in a manner which comports with the highest virtues of the military profession. As you realize, in a combat environment military personnel are called upon to conduct themselves and to perform their duties under the most arduous circumstances. The military services are not only responsible for adequately training their personnel to skillfully perform their combat mission, but also for imposing that degree of discipline which distinguishes a military force from an armed mob. For example, to permit an unjustified homicide, even in a combat situation, would be regression to barbarism and a failure by the military service concerned to perform its legal responsibility and to uphold the high ideals and moral standards of this nation. When the facts and circumstances surrounding a particular killing indicate that a serviceman may have act-

ed unlawfully, an investigation is made. If, as a result of the investigation, responsible military authorities conclude that the homicide was unjustified, they have a moral and legal duty to initiate appropriate legal proceedings.

There is no policy which would require every serviceman who finds himself in situations such as those referred to in the resolution to be punished for his action. On the other hand, every killing of a human being is not justified simply because it occurs in a combat zone. Whether or not a serviceman would be punished in a particular instance would depend upon the facts and circumstances of the case in question.

Your courtesy in forwarding Resolution No. 51 and your interest in this matter are appreciated.

Sincerely,

Leo E. Benade, Brigadier General, USA
Deputy Assistant Secretary of Defense

MESSAGE FROM THE GOVERNOR

The following Veto Message was read,

and consideration deferred for this legislative day:

To The President and Members
of The Honorable Senate
Second Session,
Thirty-second Oklahoma Legislature

Gentlemen:

This is to advise you that on March 20, 1970, I vetoed Enrolled Senate Bill No. 495.

I have vetoed **SB 495** because the allocation of space in the Capitol Building is properly a function of the Executive branch. Further, the Legislature has made no arrangements to provide space for the present occupants of the third floor of the Capitol nor have they allocated additional funds to these occupants so they may lease space at a new location.

The Legislature presently has legal custody of their respective chambers and committee rooms. However, the Board of Affairs has given them possession of all the space on the fourth, fifth and sixth floors of the Capitol. The Legislature has never made a request of the Board for any additional space. I am certain the Board of Affairs will cooperate with the Legislature in any reasonable request for space.

"An Act relating to licensing and registration of motor vehicles; defining "recreational vehicles" for license, registration and excise tax purposes; providing the amount of the license fee and the excise tax for the first and subsequent years on registration of recreational vehicles; providing that special delivery licenses or drive-away permits shall be issued for recreational vehicles; providing for the apportionment of the license fees and excise tax collected on recreational vehicles; requiring that bill of sale and/or certificate of title designate recreational vehicle thereon; providing for compulsory licensing and making it a misdemeanor for failure; providing for codification; fixing effective date; and declaring an emergency.

Be it enacted by the people of the State of Oklahoma:

SECTION 1. (a) The term "recreational vehicle" as used in this Act, means and includes every vehicle which is manufactured, constructed, or equipped as a self-propelled home, house car, or living quarters, capable of being operated on the highways, but shall not include those vehicles defined in the License and Registration Law as automobiles, motor buses, or house trailers which are also commonly referred to as mobile homes, nor shall it include those vehicles commonly known and referred to as "campers". The term "recreational vehicle" shall include only a vehicle which is permanently constructed and equipped for living quarters, having its own sleeping and kitchen facilities, which is propelled by a motor installed thereon and not towed by another motor vehicle, but shall not include any vehicle of the so-called "camper" type from which such living facilities are removable.

The purpose of this Act is to remove "recreational vehicles" as above defined, from the definition of automobiles and classify them specially for license fee and vehicle excise tax purposes only, and all other provisions of the Motor Vehicle License and Registration Law, the Motor Vehicle Title Act, and the Vehicle Excise

Tax Code, unless otherwise inconsistent with this Act, shall apply to recreational vehicles.

(b) Every recreational vehicle, as herein defined, shall be registered and licensed annually and the license fee thereon shall be as follows:

1. Where the manufacturer's factory delivered price is Two Thousand Five Hundred Dollars (\$2,500.00) or less, the license fee for the first and each succeeding year's registration shall be Twenty-five Dollars (\$25.00).

2. Where the manufacturer's factory delivered price is in excess of Two Thousand Five Hundred Dollars (\$2,500.00), the license fee for the first year shall be Twenty-five Dollars (\$25.00) plus fifty cents (\$0.50) for each One Hundred Dollars (\$100.00), or major fraction thereof, in excess of Two Thousand Five Hundred Dollars (\$2,500.00).

3. After the first year's registration in this or any other state, the license fee for the second year upon any such recreational vehicle, upon which the manufacturer's factory delivered price was in excess of Two Thousand Five Hundred Dollars (\$2,500.00), shall be assessed at ninety percent (90%) of the fee computed and assessed hereunder for the first year; and thereafter such fee shall be assessed and computed at ninety percent (90%) of the previous year's fee for a period of ten (10) years, provided, however, the minimum fee for any recreational vehicle shall be Twenty-five Dollars (\$25.00) per year, or the fee for the eleventh year computed as above, whichever is the greater in amount.

(c) The provisions contained in Section 22.16 of Title 47 O. S. 1961, relating to special delivery licenses or permits, commonly known as drive-away permits, and of Chapter 104, Oklahoma Session Laws of 1963 (47 O. S. Supp. 1969, § 22.30a), relating to temporary tags, shall apply to recreational vehicles.

(d) The license fees collected under this

section shall be apportioned by the Oklahoma Tax Commission as is now required under the provisions of 47 O. S. 1961, § 22.2, as amended, or as may be required by amendatory acts thereto.

SECTION 2. (a) The value of any recreational vehicle for the purposes of the vehicle excise tax levied by the Vehicle Excise Tax Code, Chapter 361, Oklahoma Session Laws 1963 (Article 21 of Title 68, O. S. Supp. 1969), shall be determined as of the time the person applying for a certificate of title thereto obtained either legal ownership or possession of the recreational vehicle, which shall be the actual date of the sale or other transfer of legal ownership, which date shall be shown by the assignment on the certificate of title, or, in the case of a new recreational vehicle, on the manufacturer's certificate or statement of origin, and by the assignment on the application for registration, required to be furnished by the new recreational vehicle dealer for use by the purchaser. The value of a new recreational vehicle for vehicle excise tax purposes shall be the manufacturer's price of such a recreational vehicle delivered at the factory. The value of a used recreational vehicle shall be sixty-five percent (65%) of the manufacturer's price of such recreational vehicle delivered at the factory for subsequent transfers for the first year and for the second year and sixty-five percent (65%) of the value of the previous year so fixed for each successive year for which such recreational vehicle is registered and licensed in this or any other state, until such recreational vehicle reaches a minimum value of Two Hundred Fifty Dollars (\$250.00).

(b) The excise tax collected on the sale or transfer of recreational vehicles shall be apportioned in accordance with the provisions of Section 2102 of Section 2, Chapter 361, Oklahoma Session Laws 1963, as renumbered by Section 3, Chapter 215, O. S. L. 1965 (68 O. S. Supp. 1969, § 2102).

SECTION 3. The seller of a recreational vehicle shall designate on the bill of

sale and/or the certificate of title that the vehicle is in fact a recreational vehicle to be licensed under the provisions of this Act.

SECTION 4. Any person owning a recreational vehicle must license the same under the terms of this Act and any violation hereof shall constitute a misdemeanor.

SECTION 5. Section 1 of this Act shall be codified as Section 22.5d-1 of Title 47 of the Oklahoma Statutes, and Section 2 hereof shall be codified as Section 2104.1 of Title 68 of the Oklahoma Statutes.

SECTION 6. The provisions of this Act shall be operative on and after December 11, 1970.

(a) The court reporter shall make a full reporting by means of stenographic hand, steno-mask or machine notes, or a combination thereof, of all proceedings, including the statements of counsel and the court and the evidence, in trials and other judicial proceedings to which he is assigned by the [Presiding Judge] APPOINTING JUDGE unless excused by the judge who is trying the case with the consent of the parties to the action. Nothing herein contained shall be construed to authorize the certification OR LICENSING of persons as certified OR LICENSED shorthand reporters who rely exclusively upon the steno-mask for reporting judicial proceedings, EXCEPT AS PROVIDED BY LAW. A refusal of the court to permit or to require any statement to be taken down by the court reporter or transcribed after being taken down, upon the same being shown by affidavit or other direct and competent evidence, to the Supreme Court, or other appellate court, shall CONSTITUTE A DENIAL OF DUE PROCESS OF LAW [be

The fees for making the transcript shall be paid in the first instance by the party requesting the transcript and shall be taxed as costs in the suit.

When the judge of his own motion orders a transcript of the reporter's notes, the judge may direct the payment of charges therefor and the taxation of the charges as costs in such manner as to him may seem just. In a criminal action, if the defendant shall present to the judge his affidavit that he intends in good faith to take an appeal in the case and that a transcript of the reporter's notes is necessary to enable him to prosecute the appeal, and that he has not the means to pay for the transcript, the court, upon finding that there is reasonable basis for the averment, shall order the transcript made at the expense of the county court fund. THE PREPARATION, DELIVERY AND

FILING OF TRANSCRIPTS TO BE USED IN A CIVIL APPEAL MAY BE REGULATED BY RULES OF THE SUPREME COURT.

(c) The court reporter shall file his records of the evidence and the proceedings taken in any case with the clerk of the court in which the case was tried.

(d) To the extent that it does not substantially interfere with the court reporter's other official duties, the judge [to] BY whom a reporter is EMPLOYED OR TO WHOM HE IS assigned may assign a reporter to secretarial or clerical duties arising out of official court operations.

SECTION 4. This act shall be effective on and after April 13, 1970.

I move to instruct the Senate representatives to the Joint Conference Committee on Engrossed House Bill No. 1586 as follows:

To propose to the Joint Conference Committee to amend House Bill 1586 to provide that in lieu of the \$300 annual salary increase now scheduled for teachers for the school year 1970-1971 in accordance with Chapter 48 of 1968 Oklahoma Session Laws (70 O. S. 1969 Supp., § 1210.53), that the requirement that teachers contribute to the Teacher Retirement System be repealed and the State of Oklahoma assume the full cost of the Teacher Retirement System, in order to accomplish the following purposes:

1. To provide teachers with a greater increase in their actual net income after taxes than they would otherwise receive in 1970-1971 and subsequent years under said Chapter 48 and House Bill No. 1586 with a 5% teacher contribution provision.

2. To eliminate any dispute over paying interest on Teachers' contributions by eliminating such contributions altogether.

of such retired teacher, with the provision that the maximum retirement benefit which may be paid in any year by the Teacher Retirement System to any retired teacher may not exceed the amount which when added to the maximum Social Security benefits that such teacher is eligible to receive, will total seventy-five percent (75%) of the highest annual salary such retired teacher received not in excess of Ten Thousand Dollars (\$10,000.).

From ministers who hide their humanity behind a cloak of piety and bore us with long prayers, from teachers who care for nothing but their salaries, Good Lord deliver us.

From secretaries who are crabby in the morning, from lobbyists who are too opinionated and pushy, from constituents who can see only one point of view, Good Lord deliver us.

From senators who cannot see past the next election, from public officials who forget they are servants of the people. Good Lord deliver us.

O' God forgive us our timidity, our selfishness, our little egos. Forgive these men who in their eagerness to go home and their anxiety to be re-elected, tend to forget the serious business of government.

Forgive us our failure to be obedient to Your will and to the best within ourselves and grant us Your peace. Through Jesus Christ. Amen.
