MESSAGES FROM THE GOVERNOR

Advising her approval May 3, 2013, of Enrolled **SBs 767** and **869** and on May 6, 2013, of Enrolled **SBs 49, 277, 419, 587, 633, 659, 847** and **1062**.

Advising her veto May 6, 2013, of Enrolled **SBs 101** and **1111**.

The veto messages read as follows:

May 6, 2013

To the Honorable President Pro Tempore
and Members of the Oklahoma Senate
First Session of the
Fifty-fourth Legislature

Enrolled **SB 101**

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 101.

The State of Oklahoma currently has hundreds of agencies, boards, and commissions. One of my focuses since taking office has been to streamline government, reduce the number of entities, and to create a more efficient and accountable state government.

While state services for adults with Autism and Asperger's Syndrome is an important issue worthy of review, this issue is currently being addressed through Executive Order 2013-08 establishing the Governor's Blue Ribbon Panel for Developmental Disabilities. Creation of this task force through an executive order will ensure the task force is productive, fully serves its purpose, and has a final end date.

This legislation also inadvertently creates an additional financial burden to state agencies by requiring them to provide mileage reimbursement to task force members.

Senate Bill 101 is not consistent with my commitment to reducing the size and cost of state government.

By the Governor of the State of Oklahoma
/s/ Mary Fallin

May 6, 2013

To the Honorable President Pro Tempore
and Members of the Oklahoma Senate
First Session of the
Fifty-fourth Legislature

Enrolled **SB 1111**

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 1111.

Senate Bill 1111 would create the Oklahoma Pension Improvement Revolving Fund for the teacher, police, and fire retirement systems of the state. In theory, the revolving fund would consist of monies received and placed in the fund for the benefit of retired members and beneficiaries of the retirement systems. However, this legislation fails to identify a funding source or appropriate any money into the revolving account.

I am very supportive of the concept of reducing the state's unfunded pension liability. Senate Bill 847 not only creates the Pension Stabilization Fund, but also establishes a clear funding mechanism. The state's "Rainy Day Fund" is constitutionally prohibited from exceeding a certain dollar amount. Senate Bill 847 transfers any surplus from the "Rainy Day Fund" which is over and above the constitutional limit, and then deposits this surplus into the Pension Stabilization Fund. Monies from the Pension Stabilization Fund will be allocated by legislative appropriation to reduce the state's unfunded pension liability if one or more of the state pension systems drop below a 90% funding ratio.

Unlike Senate Bill 847, Senate Bill 1111 does not provide for a funding mechanism and will not truly impact the state's unfunded pension liability.

By the Governor of the State of Oklahoma
/s/ Mary Fallin

Pursuant to the Schulz motion, the Senate adjourned at 3:25 p.m. to meet Tuesday, May 7, 2013, at 1:30 p.m.
