

FOR *the* **PEOPLE**

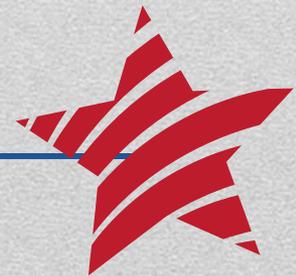

A VISION FOR OKLAHOMA PUBLIC EDUCATION

Say YES

Change is needed in public education. Our challenge is identifying which changes will result in transforming education and sustaining our democratic way of life.

Our challenge

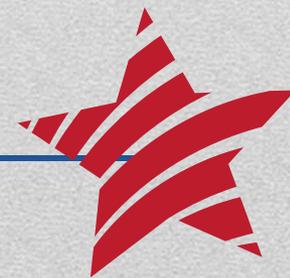

COOPERATIVE COUNCIL FOR OKLAHOMA SCHOOL ADMINISTRATION

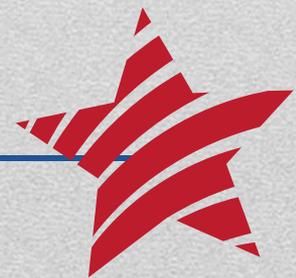

Coordinated by the Oklahoma State School Boards Association (OSSBA) and the Cooperative Council of Oklahoma State School Administrators (CCOSA), For the People represents more than 70 public school and career technology school board members, superintendents and school administrators.

History

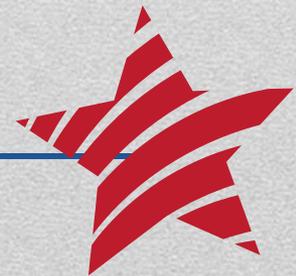

- Lead public policy
- Engage communities
- Transform our schools

Purpose

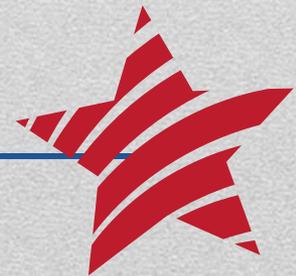

- Reform by slogan
- Policies destructive to students
- Erosion of local control
- Schools in chaos

Consequences

“All Oklahoma public school students will learn in an environment that maximizes their potential and develops them as leaders who will contribute to a meaningful life in a democracy, propelling our state forward into a competitive, global society.”

Vision Statement

Culture, Climate & Organizational Efficacy

- Dan Snell, Board Member, Norman Public Schools

Learning, Teaching & Assessing for Student Success

- Ann Caine, Superintendent, Stillwater Public Schools
- Willa Jo Fowler, Board Member, Enid Public Schools
- Beth Schieber, Board Member, Okarche Public School

Financial Resources

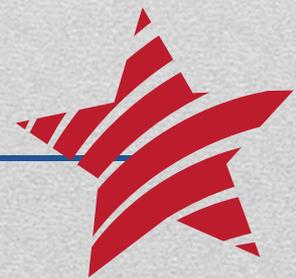

- Shawn Hime, Superintendent, Enid Public Schools
- Glen Cosper, Board Member, Moore-Norman Tech Center

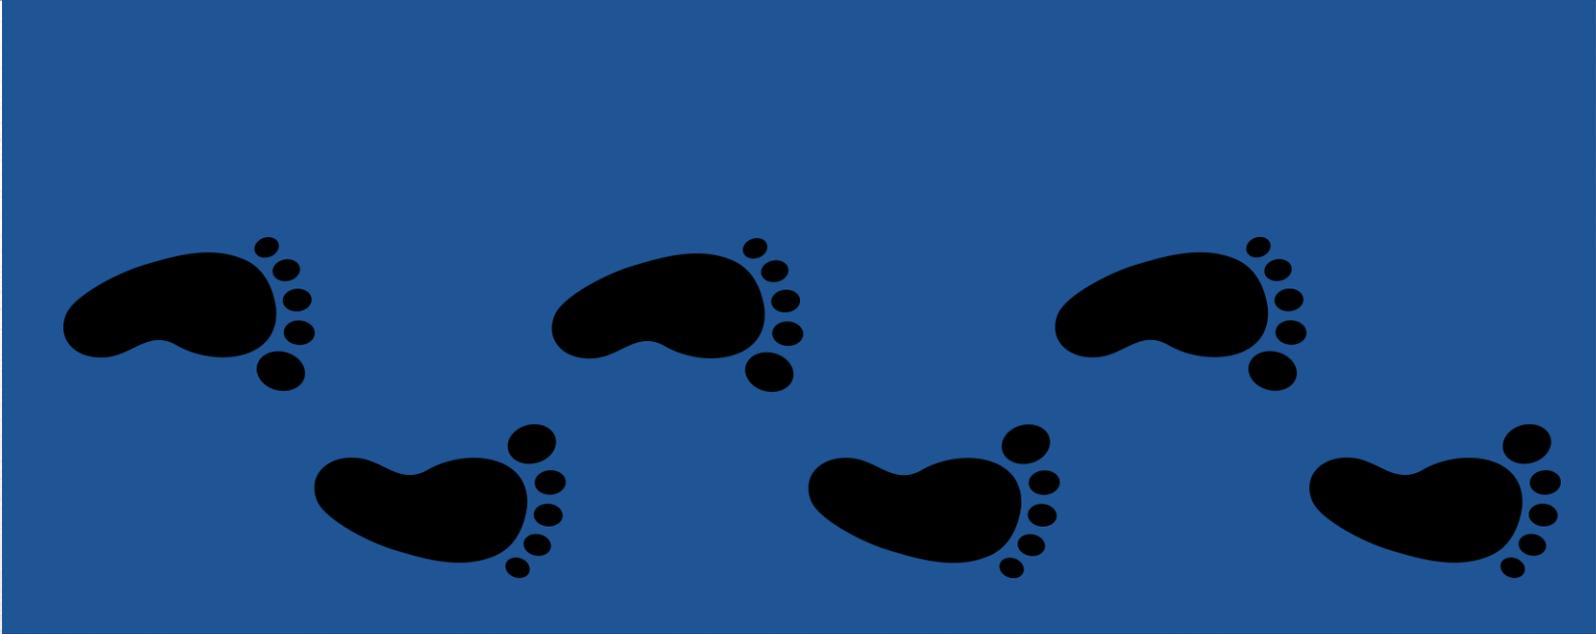

Committee Topics & Co-Chairs

- Affirm our commitment to student success.
- Create and protect quality learning experiences for all students.
- Rebuild trust and support for public education.
- Engage community stakeholders in the success of our public schools.
- Communicate a clear and effective vision for public education in our state.
- Ensure the voice of local public school and community leaders drives education policy — there's room at the table for everyone.
- Advocate an educated citizenry is the way to move our economy forward.
