MESSAGE FROM THE GOVERNOR

Advising his veto ON May 7, 2026, of Enrolled **SB 1589**.

Veto message reads as follows:

May 7, 2026

TO THE HONORABLE PRESIDENT PRO TEMPORE
AND MEMBERS OF THE OKLAHOMA SENATE
SECOND REGULAR SESSION OF THE
SIXTIETH OKLAHOMA LEGISLATURE
ENROLLED SENATE BILL NO. 1589:

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 1589.

Oklahoma's gaming laws must be clear, targeted, and fair. Senate Bill 1589 does not accomplish that end. This bill is so broad that it criminalizes everyday apps people use for fun. It also unnecessarily creates a new felony and extends criminal liability to businesses and service providers.

This kind of vague and overbroad approach creates uncertainty for businesses operating in good faith and discourages innovation and investment in our state. Oklahoma can protect consumers without adopting criminal penalties that reach beyond the problem they are intended to solve.

For these reasons, I have vetoed Enrolled Senate Bill 1589.

By the Governor of the State of Oklahoma
/s/ Kevin Stitt

Veto messages read as follows:

May 12, 2026

TO THE HONORABLE PRESIDENT PRO TEMPORE
AND MEMBERS OF THE OKLAHOMA SENATE
SECOND REGULAR SESSION OF THE
SIXTIETH OKLAHOMA LEGISLATURE
ENROLLED SENATE BILL NO. 1534:

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 1534.

Obama-era policies should not become the law in Oklahoma.

The Trump Department of Justice rightly ended similar sue-and-settle abuse at the federal level after the Obama Administration implemented similar practices to fund leftist organizations. As Trump's former Attorney General said, settlement funds should go "first to the victims and then to the American people," not be used "to bankroll third-party special interest groups or the political friends of whoever is in power."

For these reasons, I have vetoed Enrolled Senate Bill 1534.

By the Governor of the State of Oklahoma
/s/ Kevin Stitt

May 12, 2026

TO THE HONORABLE PRESIDENT PRO TEMPORE
AND MEMBERS OF THE OKLAHOMA SENATE
SECOND REGULAR SESSION OF THE
SIXTIETH OKLAHOMA LEGISLATURE
ENROLLED SENATE BILL NO. 1630:

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 1630.

Over the past several years, Oklahoma has made real progress in getting students back in the classroom and reducing the use of virtual school days. Students learn best when they are in school, with their teachers and classmates. Senate Bill 1630 moves Oklahoma in the wrong direction by creating another circumstance where virtual instruction can replace in-person learning. Oklahoma should continue building on the progress we have made, not create new exceptions that take students out of the classroom.

For these reasons, I have vetoed Enrolled Senate Bill 1630.

By the Governor of the State of Oklahoma
/s/ Kevin Stitt

SIXTIETH OKLAHOMA LEGISLATURE
ENROLLED SENATE BILL NO. 1684:

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 1684.

Senate Bill 1684 imposes a \$3 million liability insurance requirement for businesses seeking to do business under the Oklahoma Highway Remediation and Cleanup Services Act. This mandate is excessively restrictive and will stifle small businesses and new market entrants.

Oklahoma should foster economic growth by reducing unnecessary barriers to entry, not piling on costly regulations that drive up operational expenses without clear justification. Existing insurance standards and market incentives already address risk appropriately.

For these reasons, I have vetoed Enrolled Senate Bill 1684.

By the Governor of the State of Oklahoma
/s/ Kevin Stitt

**OKLAHOMA EDUCATION LOTTERY TRUST FUND
FEBRUARY APPROPRIATIONS ANALYSIS & REQUIRED FINDINGS
SCHEDULE 2**

Article X, Section 41 of the Oklahoma Constitution and Title 3A Section 713 of the Oklahoma Statutes requires the State Board of Equalization to determine if appropriations from the Oklahoma Education Lottery Trust Fund were used to enhance or supplant education funding.

	FY 2025 FINAL APPROPRIATIONS	FY 2026 AUTHORIZED APPROPRIATIONS	INCREASE OR (DECREASE)	PERCENT CHANGE
Total Education funding[*]	\$5,081,983,613	\$5,261,023,066	\$179,039,453	3.5%
Education Lottery Trust Fund ^{**}	\$69,752,171	\$65,000,000	(\$4,752,171) ^{**}	-6.8%
Education funding less Lottery Trust Fund	\$5,012,231,442	\$5,196,023,066	\$183,791,624	3.7%

Agenda Item 6

To determine if the Oklahoma Education Lottery Trust Fund supplanted or enhanced education funding, FY 2025 appropriations are compared to FY 2026 appropriations. If the appropriations base for education increased before adding Lottery Trust Fund, the Lottery Trust Fund served to enhance education funding. Education appropriations, excluding the Lottery Trust Fund, increased from FY 2025 to FY 2026 by \$179 million, or 3.5%. Since the base appropriation increased before the addition of Lottery Trust Fund, it is determined that the Lottery Trust Fund enhanced FY 2026 funding for education by the full \$65 million.

^{*}Total Education funding includes base appropriations and spending authorizations to the Department of Education, Career and Technical Education, and Regents for Higher Education. Federal monies and one-time expenses are excluded.

^{**}SB 612, effective Nov. 1, 2023, amends Title 3A, Section 713 to require that proceeds to the Lottery Trust Fund above \$65,000,000 be deposited to the Teacher Empowerment Revolving Fund. The Teacher Empowerment Revolving Fund is a revolving fund at the State Department of Education that does not require legislative appropriation.

FEBRUARY DETERMINATION OF BASELINE
SCHEDULE 4**

Title 68, Section 2355.1B, added by laws 2007, SB 357, as amended by SB 1092, effective Nov. 1, 2007, requires that the Board of Equalization, at the constitutional meeting, "2. Beginning with the February meeting in the sixth year after the Board determines an initial baseline amount, annually review such amount to determine if it differs from the average annual amount of revenue which was finally apportioned to the credit of the Teachers' Retirement System Dedicated Revenue Revolving Fund pursuant to Sections 1353, 1403 and 2352 of Title 68 of the Oklahoma Statutes over the most recent five fiscal years. If the Board determines that the initial baseline amount is less than the five-year average annual amount, a new baseline equal to the five-year average annual amount shall be determined and applied as provided in paragraph 5 of Section 1353, paragraph 5 of Section 1403 and paragraph 3 of Section 2352 of Title 68 of the Oklahoma Statutes; and 3. Determine the proportion of the baseline amount attributable to each revenue source specified in paragraph 2 of this section whenever the Board determines a baseline amount." HB 2741, passed during the 2020 legislative session, amended Title 68, Sections 1353, 1403 and 2352 and struck requirements that in no event individual income tax, corporate income tax, sales tax and use tax apportioned to Teachers' Retirement System Dedicated Revenue Revolving Fund be less than the baseline established by the Board of Equalization.

INFORMATIONAL ROADS FUND APPORTIONMENT SUMMARY
Appendix 4

Selected legislative history of the ROADS Fund

HB 2272, passed in the 2008 legislative session, amends Title 69, Section 1521 of the Oklahoma Highway Code. Effective July 1, 2009, for FY 2010, the Oklahoma Department of Transportation (ODOT) will receive the total amount apportioned to the ROADS Fund for the preceding fiscal year plus an additional \$30 million each year until a cap of \$370 million is reached.

HB 2248, effective July 1, 2012, amends the same title and section. For FY 2014 and all fiscal years until the cap is reached, ODOT will receive the total amount apportioned to the ROADS Fund for the preceding fiscal year plus an additional \$59.7 million. The cap was raised to \$575 million.

HB 1014xx, effective July 1, 2019, directs diesel and gasoline fuel taxes imposed by HB 1010XX and most motor vehicle revenues to the ROADS Fund. Contributions to the ROADS Fund from motor vehicle revenues and fuel taxes replace personal income tax contributions dollar-for-dollar. Offset personal income tax dollars are redirected to GRF.

HB 2743, passed during the 2020 legislative session, apportioned \$180 million in dedicated ROADS revenue to the Education Reform Revolving Fund for FY 2021 and FY 2022.

HB 2895, passed during the 2021 legislative session, restored dedicated revenue back to the ROADS Fund and canceled the ERRF transfer. The cap was raised to \$590 million effective FY 2023.

HB 2772, passed during the 2025 legislative session, raises the ROADS Fund annual cap to \$610 million effective FY 2026.

EDUCATION REFORM ACT – HB 1017
Appendix 5

SB 826 of the Second Regular Session of the Forty-fifth Legislature amended Section 41.29a of Title 62 to require that the Office of Accountability account for and report monthly revenues which accrue to the Education Reform Revolving Fund. The Education Reform Revolving Fund, on June 1, 1996, began receiving revenue attributable to the revenue provisions of HB 1017 rather than these revenues first being apportioned to the General Revenue Fund.

GLOSSARY
Appendix 7

Additional budgetary authorizations: Those amounts, authorized by law, which do not affect the Certified Funds or specific Authorized Funds reported for board action.

Agency revolving funds: Funds are created solely for the agency, and the agency can budget and spend from the funds without annual legislative appropriation.

Authorized expenditures: Appropriations and spending authorizations made by the Legislature.

Authorized Funds: Funds not certified by the Board of Equalization. For non-certified funds, the Legislature authorizes the expenditure amount from the fund based on total (100%) estimated collections instead of appropriating 95% of total estimated collections. In statute, language specifically states that fund is a continuing fund, not subject to fiscal year limitations and is authorized to be expended by the Legislature.

Cash Flow Reserve Fund: Fund used to enable equal monthly General Revenue Fund disbursements to agencies.

Certified Funds: Funds certified by the Board of Equalization. Certified revenue equals 95% of total estimated collections to each certified fund for the following fiscal year. In statute, language specifically states that fund shall be subject to legislative appropriation.

Constitutional Reserve Fund: Reserve fund available during General Revenue failures.

Estimate: Expected collections for future fiscal year.

Expenditure authority: Expected collections and cash that the Legislature has the authority to spend.

Fiscal year (FY): Financial and accounting year beginning July 1 and ending June 30.

Prior year certified: Unencumbered collections certified in the prior year.

Projected: Expected collections for current fiscal year based on most recent re-estimates.

Reappropriations: Unspent and expired appropriations to agencies that are re-appropriated for agency use.

Revenue Stabilization Fund: Reserve fund established to smooth volatile revenue streams including corporate income tax, gas production tax and oil production tax.

Special Cash: Disbursement fund used to move appropriated cash from agency funds for appropriation to other agency funds.

Unencumbered/unspent: Expected collections and cash the Legislature has the authority to spend but has not.

Purpose of BOE

The Oklahoma State Constitution (Article 10, Section 23) designates the Board of Equalization as the body responsible for carrying out the state's balanced budget procedures. The Board certifies revenue collections for prior years, sets expenditure limits for the Governor and the Legislature based on current-year revenue estimates, and determines overall limit on expenditure growth from year-to-year. The Board is comprised of the Governor, Lieutenant Governor, Treasurer, Auditor and Inspector, Attorney General, Superintendent of Public Instruction, and Secretary of Agriculture.

Pursuant to Section 23, the Board of Equalization must meet at least two times each fiscal year:

- "no more than 45 days but no less than 35 days before the start of the legislative session."
- "within five days after the monthly apportionment in February of each year."

The Board can only meet again and adjust revenue estimates if the Legislature and Governor enact laws during regular or special session that reduce or increase revenue certified by the Board; transfer cash from one fund to another; or establish a new certified, appropriated fund. In practice, the Board meets in June to incorporate legislative changes enacted during the legislative session and to re-certify revenue available for the coming fiscal year.

The Office of Management and Enterprise Services (OMES) compiles revenue projections from revenue-collecting agencies, analyzes the information, and presents the information to the Board for its consideration and approval. Projections for the General Revenue Fund are estimated by the Tax Commission staff utilizing an economic model developed by Oklahoma State University, additional resources provided by Oklahoma-based research firm RegionTrack, and other national forecasts specific to the energy sector. Revenue estimates presented to the Board are based on current and prior year collection trends, economic forecasts, federal and state tax law changes, and other foreseeable factors. The amounts proposed as available for appropriation are calculated as 95% of the summation of the itemized estimate of revenue for the respective funds, except for federal funds which shall be certified for the full amount of the estimate.

Revenue certified and authorized at the December board meeting serves as the basis for the Governor's Executive Budget. The Board considers possible revisions to the December estimate at the February meeting. Revisions are based on economic changes and additional collections data that have been noted since that time, which may increase or decrease anticipated revenue collections. The estimate approved at the February meeting sets a binding limit on appropriations for the legislative session.

Selected legislative history of the Revenue Stabilization Fund

Title 62, Section 34.103, Paragraph A of the Oklahoma Statutes requires the Board of Equalization to certify the five-year average of actual revenue collections "available to be apportioned to the General Revenue Fund" from the Gross Production Taxes on Oil and Natural Gas (Title 68, Section 1001), and Corporate Income Tax (Title 68, Section 2355).

Paragraphs B & C provide for the distribution revenue from each of these respective sources for the "ensuing fiscal year" in excess of the averages computed pursuant to Paragraph A. Paragraph B specifies "[100%] of such amount in excess... shall be deposited to the credit of the Revenue Stabilization Fund" for the Gross Production Tax on Oil and Natural Gas while Paragraph C specifies that for Corporate Income Tax "[75%] of such amount in excess of the five-year average... shall be deposited to the credit of the Revenue Stabilization Fund" and "[25%] of such amount in excess of the five-year average... shall be deposited to the credit of the Constitutional Reserve Fund unless such deposit would exceed the maximum balance permitted pursuant to Section 23 of Article X of the Oklahoma Constitution."

Any such distribution is subject to the controlling provision found in Paragraph B of Section 34.102 of the same title, which specifies that "no monies shall be deposited to the credit of the Revenue Stabilization Fund until such time as the amount of actual revenue certified by the State Board of Equalization as having been deposited into the General Revenue Fund for the first fiscal year prior to the beginning of the fiscal year that deposits to the Revenue Stabilization Fund are first made equals or exceeds...\$6,600,000,000." This requirement was met as of the February 2020 Board of Equalization meeting.

Paragraph C of Section 34.102 further states that "no deposits shall be made during a fiscal year where the State Board of Equalization General Revenue Fund certification for said fiscal year is less than the... certification for the previous fiscal year plus an increment amount otherwise calculated for deposit pursuant to subsection E," referring to the excess above the five-year averages of the Gross Production Tax on Oil, Gross Production Tax on Natural Gas, and Corporate Income Tax. Additionally, Paragraph D prohibits deposits into the Revenue Stabilization Fund during any year in which revenue failure has been declared from the month of the declaration. Paragraph D further prohibits deposits into the Revenue Stabilization Fund if that would cause deposits to the Revenue Stabilization Fund for the fiscal year to exceed 3% of the State Board of Equalization General Revenue Fund certification for that fiscal year.
